

Mission

- To create a well skilled community, by eradicating illiteracy amongst all the children.
- To unlock all the doors of learning to every child irrespective of their colour, creed, or race.
- To have a permanent and suitable development through prioritization of the needs of needs of children.
- To intergrade with people of various disabilities and educate our learners about them, promoting a good relationship amongst us.
- To provide a quality Christian Education to primary school learners by attending to their academic, spiritual, and physical needs in all embracing manner.

PROSPECTUS - 2022

Who We Are

About Us

Thanya is a self-funded, community based educational institution that aims at eradicating illiteracy at all stages of life and thus serves to embrace the “all-inclusive education across all learning phenomena”.

Vision

With efficient and sustainable quality service, which is accessible, and which promote excellence, we shall produce responsible and independent individuals, capable of participating fully in the society and achieve excellent and best quality life.

MANAGEMENT TEAM

We have a highly qualified team of management, administrative and teaching staff. All our teachers are registered with South African Council of Educators (SACE).

Our Values

- People- upholding the school, being accountable to the department of education, community, and the leaders.
- Excellence – Aim for excellence in everything we do.
- Learning- ensuring that teaching is of high quality and committed to personal growth.
- Teamwork- work together as a team in which staff seek and share knowledge and information.
- Respect- Respect one another and all stake holders.
